Students need their device every day!!

All students must be bring their device to school every day. Be sure it is charged – consider a charging station at home or a spot where it will not be forgotten. Students who come to school without a charged device multiple times will have disciplinary consequences.

Don't forget to Donate to JTMS!!

If you have not had the opportunity to offer your start of the year donation to Jeffrey Trail, please do so now. We will not be holding our annual fundraiser with the hope that we raise enough funds from our initial donation request to meet all of our needs. We are asking for \$40 from each family – we won't be asking for any more money this year. Help now! Donations can be made at Myschoolbucks, or you can bring cash or check to Ms. Carlos in the front office.
